

# Capabilities Statement

## About Us

Test Kits At Home, LLC is a Small Business, woman-owned, medical supply company specializing in all types of health related products. We provide a range of testing services and health supplies for every day use in your home or workplace. These services include DNA testing, drug and alcohol testing, steroid use, hormone and mineral testing, diabetes testing, environmental testing, pregnancy/ovulation and fertility testing and other health testing kits designed to help extend, improve and enhance your everyday life. Most of our test kits and testing supplies are FDA-Approved, DOT-Approved or CLIA-Waived for home use.

## Facilities and Equipment

Located in Coldwater Ohio, our warehouse and office make shipping tests/equipment both in the states and outside the U.S. a quick and trouble free operation. Though our warehouse is small compared to most, we stock a lot of popular and best selling items so that we can expedite shipping times. Many items however, ship direct from the manufacturer which can also help with transit time due to the manufacturer warehouse strategically located throughout the U.S.

## Core Values

We pride ourselves on exceeding expectations and provide our customers with a great shopping experience each and every time.
